

A Happy Day

Today is sunny and hot. In the morning, Tom is excited because he and his family are going to the beach. They go there by bus.

Tom and his Mum are swimming in the sea. His sister is making an amazing sandcastle. Dad is helping her. They enjoy the time at the beach.

In the afternoon, they feel hungry. Mum brings the family to her favourite fast food restaurant for lunch. Mum is eating a double cheese hamburger. Tom is eating a vanilla ice cream. Sister is drinking a can of cola. They all love the lunch and feel happy.

At night, Mum, Dad and sister are watching TV. However, Tom is very tired so he falls asleep on the sofa. It's an awesome family day!
