

A Day at Mega Mall

Spike, Gaysha, Barbet and Bacon are in the Mega Mall. They are talking about what to eat for lunch.

It is half past twelve, they are hungry. They go to Gail's Fast Food because they like it best.

They are sitting in the restaurant and eating yummy tomato cheese pizza with French fries and drinking sweet orange juice. Meanwhile, Bacon sees a mouse. It is eating the pizza. Bacon is very scared.

In the afternoon, they go to a café and buy some drinks, a chocolate cake, strawberry ice cream and some fish balls. They feel full after eating. In the evening, they go home happily.
