

The Sea Monster

Once upon a time, Pang the Pirate and Pete the Parrot were on the pirate junk to Cheung Chau.

They were sailing on the blue sea. Suddenly, they saw a giant ugly squid jump up and down. ‘Oh, no! There is the sea monster!’ shouted Pang the Pirate.

The big sea monster blocked their way. It held Pang the Pirate tight and attacked him. Pete felt sad and scared. Pete wanted to help Pang the Pirate.

In the end, Pete flew to Pang and gave him a knife. Pang killed the sea monster. Pete carried Pang to the junk and saved his life. Luckily, they safely arrived at Cheung Chau.
