

Watching TV

One day, Alan was at home. He watched TV in the living room after school. He wanted to watch cartoons because it was funny.

Alan's sister Amy came home fifteen minutes later. She wanted to watch sports programmes because it was exciting.

Alan said, 'It is boring! Let's watch other programmes together.' Amy asked, 'How about a cooking show?' Alan replied, 'Good idea!'

In the end, they watched the cooking show on the sofa happily.
