

# A Day with My Friends

30th September, 2021

Sunny

Today, Tina and I were in the Art room. We were drawing pictures.

Suddenly, Tina looked at my pictures and said loudly, 'Haha! Your picture is ugly!' Everyone burst into laughter. I was really angry. Then, I lost my temper. 'Shut up! I hate you!' I said. Tina went on to say, 'I hate you too!' I felt unhappy because my best friend was so mean to me so I didn't want to play with her anymore!

At recess, I saw Tina in the playground. I didn't want to speak to her so I didn't look at her. Tina saw me and gave me a note. Then, she went away. The note said, 'I'm sorry. Please forgive me. I shouldn't have laughed at you.'

After school, I saw Tina. I said, 'I'm sorry too. I spoke rudely to you this morning.' Then, we became friends again!

From this experience, I learnt that friends should say sorry to one another after a quarrel. Then we can be friends again.
