

Planning a Trip to Hong Kong

7th December, 2021

Dear Smith,

I'm writing to tell you my plans for our day trip in Hong Kong. See if it's okay for you!

First, we'll go to the Hong Kong Disneyland on Lantau Island. We'll take photos with cartoon characters and go on all the rides there. I've been there many times. You're going to enjoy the time in Disneyland because there're many exciting games.

Then, we'll visit the Avenue of Stars. I've been there before with my family. We took a lot of photos. I'm sure you're going to take a lot of pictures. You'll find it entertaining!

After that, we'll go to Tsim Sha Tsui to have dinner. I think you'd like to eat there because the food there is very delicious. What do you think about my plan? Please let me know in your reply. See you soon!

Love,
Cindy
