

My Dream Job

When I grow up, I want to be a singer. The famous singer Stephy Tang is my role model. I hope I can be like her one day.

I want to be a singer because I love singing. I like listening to music in my spare time. I'm good at playing the ukulele. I've learnt singing for three years.

It is not easy to become a singer. Singers need to practise singing everyday so that they can sing well. Singers also need to be confident and good-looking so that they will have a lot of fans.

I am going to work hard to practise singing everyday so that I can keep my voice good. I will also learn more languages so that I can sing songs in different languages.

I really want to be a singer in the future. I will be famous, have a lot of songs and have a concert if I become a singer.
