I am in Hong Kong with Elton and my family. It is summer. It is hot, rainy and windy. We are wearing boots, raincoats and umbrellas. We are going to the beach and going swimming. We are happy.

I am in Hong Kong Disneyland with my family. We are riding on the exciting rides. We are eating in the restaurant. We are seeing the Disney Castle. We feel cheerful.

I am in Hong Kong Ocean Park with my friends. We are visiting the big and grey shark tunnel. We are seeing the very big, black and white pandas. We are going on the rides. We feel scared and excited.
