

In the Library

On Monday morning, Tom and Amy go to the library. Their classmates are reading books but Tom and Amy don't want to read books.

They start playing catch-up. They laugh and run in the library. They are too noisy so their classmates feel annoyed.

Suddenly, a book falls down from the bookshelf and it hits Tom on his head. He feels painful. Amy goes to Miss Chan and asks for help.

Miss Chan comes to Tom and checks his head. Miss Chan reminds Amy and Tom, 'You must keep quiet in the library. You mustn't run and jump in the library.' Amy and Tom apologize to Miss Chan and their classmates. They feel bad and promise not to break the rules again.
