

## Naughty Brother

Last Saturday, Amy was at home. She made a model plane.

Ben played a trick on Amy. Oh no! Amy dropped the model plane because she felt surprised.

Ben said, 'Let's play together.' Amy felt angry, so she didn't play with him. Ben felt sad.

Mum said to Ben, 'You can't do that. You should say sorry to her. Ben said, 'Sorry!' Amy forgave him and played with him again. They felt happy.
