

Sam in Old Hong Kong

When Sam woke up, he saw he was in the old Hong Kong. There were old buildings, wet markets and some old houses. Sam went downstairs to go to the park, he wanted to play video games, but there wasn't. He saw two girls playing hopscotch.

Sam sat on the roundabout, he thought 'I want to go home!' He felt very bored. The girls looked shocked.

'Sam! Sam!' Suddenly, Sam heard some noise. 'Oh It's Mum! It was all a dream!'
