

Molly in the Shopping Mall

It was a holiday yesterday. Molly went to a shopping centre. She bought a lot of new things when she went into a clothing shop. She bought a pair of trendy jeans, sunglasses and sandals.

When she was walking around in the shopping centre, she found a necklace, which looked expensive. At the same time, she saw a woman walking in front of her. The woman was tall and had long curly hair. She was wearing a trendy dress and boots. Molly thought the necklace belonged to the woman.

‘Is this necklace yours?’ questioned Molly. The woman turned around and saw her necklace. ‘Yes, it is,’ answered the woman. Molly saw the woman’s face and felt surprised because the woman was a pop star.

The pop star thanked Molly so much and gave her a concert ticket as a gift.
