

# A Day with My Friend

Friday 1<sup>st</sup> October, 2021

Sunny day

Today, Tina and I were at school. We were having Visual Art lesson in the art room. All the classmates were drawing and painting.

Suddenly, Tina looked at my picture and started laughing at me, ‘Your picture is ugly! Haha!’ All the classmates laughed at me! I felt angry and embarrassed because my friend was mean to me. I started shouting loudly to Tina, ‘I hate you!’ Tina was scared of me because I shouted at her loudly. Tina knew that she was wrong.

In the end, Tina said, ‘I’m sorry, I shouldn’t shout at you!’ I said to her, ‘I’m sorry too. I shouldn’t shout at you too!’ Now, we were friends again. From this experience, I learnt that friends should say sorry to one another after a quarrel. Then we can get on with each other again!
