

# Planning a trip to Hong Kong

4th December, 2021

Dear Mr. Smith,

I am writing to tell you my plan for our day trip. See if it is Okay for you!

First, we'll go to the Hong Kong Disneyland on Lantau Island. We will take photos with cartoon characters, go on all the rides and watch parade. I've been there five times. You are going to enjoy the play because there is nothing like it in England! You will find it relaxing!

Next, we will visit the Ocean Park in Wong Chuk Hang. We will ride on the cable car, watch a show in Ocean Theatre and visit the pandas. I'm sure you will like the pandas!

Then, we'll go to Hong Kong Wetland Park in Tin Shui Wai. We will watch birds, visit Pui Pui's Home and join the guided tours. I think you will like them.

Lastly, we'll go to the Peak on Hong Kong Island. We will ride on the Peak tram, visit the Peak Tower and visit the Peak Plaza. The night view in Hong Kong is so wonderful. You must come and see.

What do you think about my plan? Please let me know your reply. See you soon!

Love,  
Manson
