

Kevin's Dream

One day, Sally and Kevin talked about their dream jobs. Sally asked, 'What do you want to be when you grow up?' Kevin said, 'I want to be an astronaut because I want to dance on the moon. If I become an astronaut, I will do experiments and dance on the moon. It will be adventurous.'

At night, Kevin had a dream. He became an astronaut! But a monster chased him. The monster was running way faster than Kevin. He thought, 'I need to run faster and be stronger!' Just when the monster was about to catch him. Kevin woke up.

At last, Kevin did a lot of sports. He became an astronaut.
