

Letter to the Principal

9th December, 2021

Dear Ms Wong,

Raising money for victims in Indonesia

I am writing because I hope our school can organise a fund raising activity for tsunami and earthquake victims in Indonesia.

Three years ago, there was a serious earthquake and a tsunami in Indonesia. People in Indonesia were poor and homeless since the earthquake destroyed many houses and buildings. There were children who lost their parents since the tsunami washed away many people.

I would like to run a second-hand stall to raise money for the victims on 20th December. Students can sell used books to raise money for the poor, homeless and children who lost their parents.

The people in Indonesia are suffering. I really want to give a helping hand. I hope you will consider my idea and help us. Thank you!

Yours sincerely,
Carla Nam
