

Ben and his dog

On Sunday morning, Ben and his dog are walking in the park. It is warm and cloudy.

There are a lot of friendly kids in the park. Suddenly, the kids see Ben's dog and want to play with it. The dog feels shy.

When they are about to go home, they meet Sam and his dog. Ben and dog feel scared because Sam's dog looks fierce.

Luckily, Sam's dog is gentle. At the end, Sam and Ben become good friends.
