

Ben and his Dog

Today is Saturday. In the morning, the weather is sunny and warm. Ben goes to the park with his dog. The children in the park are very friendly and want to play with Ben's dog. But Ben's dog feels afraid of them.

At 11 o'clock, Ben and his dog go home. As they walk, they see Sam with his dog. Sam's dog is big and looks fierce. Ben's dog barks when they see Sam's dog.

Sam tells Ben not to be afraid of his dog. Ben's dog now is not afraid of Sam's dog. They run and play in the park. They have fun together. They have a great time in the park.
