

What's for lunch?

At 3 p.m., Steve, Bella, Katrina, Aunt Fifi and their mother planned to go to Cheung Chau to watch the bun race.

They saw a big pirate junk with a pirate. They said, 'A big pirate junk with a pirate!' And they went to the pirate junk.

When they were on their way to the destination, they felt hungry but the pirate didn't catch any fish! Oh no! If they all can't catch any fish, they will be very hungry.

But they chose two brave men, the child Steve and Pang the Pirate! They jumped out of the junk and fell into the sea. Splash! They caught a lot of fish. 'We have a lot of food to eat!' they said. They were all happy in the end.
