

# Sam in Old Hong Kong

One day, when Sam woke up, he saw some old buildings outside the window. He felt so strange. He left his home. He went to the market near the street. He saw some people bought beef.

Next, Sam went to the park near the market. He saw two girls. Sam said, 'Do you have electronic games?' The girls said, 'We don't have any electronic games but we can play hopscotch.'

Sam wanted to go home. He felt bored and tired. He found a bench and sat down on the bench. He fell asleep on the bench.

When Sam woke up, he was in his bedroom. He felt so strange.
