

Sam in Old Hong Kong

One day, when Sam woke up, he looked out of the window. He saw some old and low buildings and a wet market. He thought he went back to old Hong Kong. Everything was so strange!

He went out and came to a park. Two girls were playing hopscotch there. He asked, 'Do you want to play electronic games? We can play together.' One of the girls said, 'What are electronic games? Nobody plays electronic games.' Another girl said, 'Everybody plays hopscotch in the park.'

Sam was surprised because he did not realise that there were not any electronic games in old Hong Kong. Sam felt bored. He cried, 'I want to go home!' The girls said, 'We want to go to Lai Chi Kok Amusement Park and go on the rides. Do you want to go with us?' Sam replied, 'Yes, please.'

Finally Sam played with the two girls happily in Lai Chi Kok Amusement Park. He had a lot of fun because he saw so many strange and special things of old Hong Kong.
