

Sam in Old Hong Kong

One day, when Sam woke up, he was in a place that he had never been. He saw some markets and old buildings. He was so surprised that he was in old Hong Kong.

Then he went out to the park. He saw two girls playing hopscotch. Sam asked, 'Do you play electronic games?' The girls were surprised and confused because they had never heard anything about my electronic games.

Sam felt bored and said, 'I want to go home!' The girls said, 'Okay, let's take the time machine. It can take you home! It was nice meeting you!' Suddenly, Sam felt like he was about to pass out.

In the end, Sam woke up in his bed and he said, 'Whew! Thank God that was just a dream!' He was happy.
