

A letter to my friend

12th December, 2024

Dear Smith,

I am excited to see you in Hong Kong. I can suggest some famous scenic spots for you to visit here. Let me plan a day trip for you!

First, I think we will visit the Hong Kong Wetland Park in Tin Shui Wai. We will watch the birds. We will also learn and explore the names of different flowers, plants and animals. We will even take photos together.

Then, we will visit Hong Kong Disneyland on Lantau Island. We will visit a castle. We will also buy some souvenirs. We will even take photos with cartoon characters.

In the evening, we will visit Victoria Harbour. You can take some beautiful photos. What do you think about my plan? Please let me know in your reply.

See you soon!

Best wishes,
Katie.
