

A Letter To My Friend

15th January, 2025

Dear Smith,

Welcome to Hong Kong! There are certain scenic spots that I would like to introduce to you.

First of all, we are going to visit Ocean Park in Wong Chuk Hang. We can enjoy the journey through cable car rides there. We can also watch the penguins and see the lions at Polar Adventure. We can even experience the Ocean Express. In Ocean Park, I like Pandas very much because they are so cute.

Afterwards, we are going to visit Hong Kong Wetland Park. We can study and learn the different species of birds, animals and plants. We can also watch the migratory birds, Fiddler crabs and Great Blue Spotted Mudskippers.

Finally, we will go to Hong Kong Disneyland. We can buy souvenirs of the popular cartoon characters, for examples, Donald ducks, Goofy and also many other cartoon characters. We can also take pictures of famous cartoon characters. We can meet and greet with the newest Disney characters, for example, Anna and Elsa.

I hope that you like my plan. I am looking forward to seeing you soon!

Love,
Katie
