

Planning a trip to Hong Kong

4th December, 2024

Dear Smith,

I am writing to tell you my exciting plan for your day trip. See if it is okay for you!

First, you'll go to Hong Kong Disneyland on Lantau Island. I think you'll take a lot of photos with different cartoon characters. You can also ride on the roller coasters. You can even buy souvenirs of cartoon characters. You can eat delicious food in the restaurant too. I have been there ten times. You will find it amazing!

For the study tour, you'll go to Hong Kong Wetland Park in Tin Shui Wai. You can watch many birds. You can also learn different types of animals, flowers and plants. You can even visit the crocodile, Pui Pui. You'll find it wonderful.

Lastly, you'll go to the Hong Kong Palace Museum in the West Kowloon Cultural District. You can even learn from the historical priceless treasures and join exhibitions. You will find it relaxing!

What do you think about my plan? Please let me know in your reply. See you soon!

Cheers,
Katie
