

In the shopping mall

One day, Molly went shopping at a busy shopping centre. She bought a pair of jeans, some sandals, and a stylish pair of sunglasses.

As she was walking through the mall, she noticed a shiny necklace on the floor.

Looking around, she saw a woman wearing a pretty dress and a fashionable hat.

Molly picked up the necklace, approached the woman, and asked, 'Is this yours?'

The woman smiled and replied, 'Yes, it's mine! Thank you so much!'

To Molly's surprise, the woman turned out to be a famous singer she admired. The singer said, 'You're so kind! I'd like to thank you.' She handed Molly a pair of free tickets to her upcoming concert.

Molly couldn't believe her luck. She was overjoyed and couldn't wait to share the exciting news with her friends.
