

Tom's Football Dream

One day, Tom watched a football match with his dad. He was amazed by the footballers' skills. He said to his dad, 'Dad, I want to be a football player. I want to win the World Cup.'

From that day on, he went to the playground and run for two hours every day. The next week, Tom got selected to the school football team.

At the football practice, Tom accidentally twisted his ankle. He couldn't walk for a week. He was very upset but he didn't give up. He practiced from day to night for twelve hours every day.

In the end, he was the best footballers in the team and they won the Junior Cup.
